OPERATING RESERVES WORK GROUP AGENDA

May 29, 2003

1. Flexibility Issues

- a. Cross walk between E-tag product codes and reserve responsibility (see draft proposal)
- b. How to track Operating Reserve Services charges when the Tag is the Schedule
- c. Flexibilities customers would like in the future (see Customer Desired Flexibilities paper)

2. 150 MW Floor on Self-supply

- a. Criteria for qualifying for Self-supply
- b. Issues/Options for small customers
